Report from the Southern Tier

Greetings from Washington, DC!

There is very little to report to the ALMC.

St. John's College High School will invite San Miguel DC, The National Conference Office and Calvert Hall to Heritage on Tap on Thursday, April 26. While all the details have not been worked out, the plan is for the Lasallian Volunteers assigned to San Miguel to share their experiences with the group.

Additionally there has been some dialogue about possible associative activities between St. John's and Calvert Hall through faculty members attending the Br. John Johnson Institute.

Thanks,

Colin Crawford
