

Have You Heard?

Last fall, Brothers JD Macioce (DENA) and Rafael Rodriguez (SFNO) initiated a podcast. Recording has taken place during their free time in the novitiate. Our two novices interviewed Brothers throughout RELAN and engaged them in conversation. Through 20 episodes, JD and Rafa have invited conversations about religion, spirituality, current events and all things Lasallian. In the most recent and last conversation of the year, JD engaged our own Larry Goyette, founder of San Miguel School of Providence. Larry shared his journey of starting a new kind of middle school. In addition, Brothers Rafael and JD shed light on the future of the Brothers' Banter Podcast. **CLICK HERE** to eavesdrop on JD and Larry's conversation.
