Saint John Paul II Academy, a college-preparatory coeducational (diocesan) high school in the Lasallian tradition, is seeking applicants for the position of ASSISTANT PRINCIPAL FOR ACADEMIC LIFE for the 2026-27 academic year. This pivotal role offers an exciting opportunity to promote the academic vision and foster a thriving learning environment. As an integral part of our school community, you will support strategic initiatives, support teaching excellence, and ensure the delivery of high-quality education that inspires students to reach their full potential. Your energetic leadership will drive continuous improvement, promote innovative curriculum development, and strengthen our commitment to student success within our faith-based community.

This ideal candidate for this position is an educator with school leadership experience who is comfortable dealing with students and parents in a variety of settings. Candidates must hold a Master's Degree or be currently enrolled in a Master's Degree program to be considered. This is a 12 month position and would begin July 1, 2026.
